This weekend workshop will offer you the opportunity to develop your understanding of, and skill in, compassionate listening for use in choosing deeply resonant Flower Essences.

Jane will offer demonstrations, with a strong emphasis on presence, observation, questioning, and the respectful use of language.

In addition, you will have the opportunity to practice these skills with fellow participants, while receiving gentle guidance and supportive feedback from Jane.

Participants will want to be comfortable sharing openly in this experiential setting, while exploring your own style, discovering your strengths, and creating safe and respectful containers for others.

To reserve your place in this workshop, call or email Jane by Monday, October 2<sup>nd</sup>.
